### **Introduction**

This statement sets out Council's policy with regard to the replacement of granite gutter blocks with concrete kerb and guttering.

### **Policy**

That where concrete kerb and gutter works are to be undertaken to replace granite and guttering blocks, that such works will not be undertaken without prior consultation with the community, affected adjacent landowners and Council's Heritage Advisor.

Consent to proceed with the replacement of granite gutter blocks with concrete kerb and guttering will be subject to the formal approval of Council subsequent to the completion of the consultation process.
