

Rural burials Tenterfield register 1856-1918

Transcript of records detailing burials in the Tenterfield district but outside the Tenterfield cemetery, mainly in private and small rural cemeteries. The records are held in book form registers of Deaths 1856-1918 at the Tenterfield Court House.

Transcribed by Ken Halliday, July 8, 9 & 12, 1999 with permission of Teri Mrena, Business Services Manager, Births Deaths and Marriages, 191 Thomas Street, Haymarket, Sydney, 2000 to access the 1856-1918 records.

Permission was granted by letter September 1, 1998 and authorised the field of records: surname, given name, age, date of death, place of death, date and place of burial.

Number on left of column associates with year of death or period of years combined in the register. The transcript was prepared under the supervision of Clerk of the Court, Glen Dunning.
