## **APEX PARK BORE – TEMPORARILY OUT OF ORDER**

Unfortunately due to high usage and combined with the overcast skies, technical problems are currently being experienced with the Apex Park Bore rendering it out of order.

Council staff are working to fix the problem to ensure the facility is available as soon as possible.

Council apologises for the inconvenience this may cause and asks for your patience and understanding.

Alerts to Tenterfield Shire Mobile App and notification by radio will advise when the situation has been rectified.
