WHERE'S YA BIN? BIN STICKER COMPETITION

Because your bins go out more than you do. A home isolation design competition.

Tenterfield Shire Council are running a competition to design bin stickers to be distributed throughout the Shire. Our communities have been experiencing unprecedented situations, and when one finishes, we get hit with another. And yet we soldier through. Council would like to brighten up our communities and bring a smile during these hard times. So, because our bins are getting out more than we are, lets dress them up a bit!

Residents are invited to submit designs to dress up our bins. There are 4 categories and there will be 8 winners. The winning designs will be printed on a 30 x 30cm sticker for wheelie bins for distribution through the Shire. Entries can be artwork (e.g. drawings, paintings, collage) or photographs. Entries are to be submitted through Council's webpage with the competition closing COB on Sunday, 17 May 2020.
