27/3/19	53/19	Upgrade To Council's Wireless Infrastructure	ссо		13/5	Northern	В	
74	GOV18/19	Resolved that Council:	MFT			Communications have		
	GOV16/19	(1) Enters into a contract with	MLI			been engaged to		
		Northern Communications				undertake this work and		
		for the quoted amount of				preliminary work is		
1		\$166,000 (rounded) to				underway. Delay is with		
		urgently upgrade Council's				finding an electrician to		
		Wireless Infrastructure				provide an appropriate		
		Network; and				power solution and		
		(2) Provides a total overall	ľ			ensuring appropriate line		
		budget of up to \$200,000				of site between the sites.		
		be allocated for the				Both of these issues		
						should be resolved in		
		purpose of completing this	ĺ			July/August 2019.		
		upgrade to Council's				,, . 3		
		Wireless Infrastructure						
		Network (which also						
		includes some additional						
		electrical work that is						
		required, and contingency						
		funds); and						
		(3) Invokes the provisions of						
		sections 55(3) (i) and (k) of						
		the Local Government Act						
		1993, which allows						
		exemptions in certain						
		circumstances to Councils						
		from having to follow						
		normal tender						
		requirements. In this case						
		the reasons Council seeks						
		to claim an exemption from				ľ		
		the requirement to tender						
		to engage Northern						
		Communications for this						
		contract are twofold:				ľ		
		(a) It is being made as a result						
		of extenuating						
		circumstances and where a						
		satisfactory quick result						
		would not be achieved by						
		inviting tenders; and						
		(b) It is being made due to an						
		emergency – staff						
		productivity is being						
		impacted by having						
		wireless technology that no						

		longer meets Council's						- 7		
		operational requirements.								
24/4/19	67/19	Timber Bridges Update Resolved that Council:	A/D E/I		Yes	3/5/19		oeen	В	
	ECO5/19	(1) Notes out the balance	l wm		6/7/19		drawn up	for		
		of Council's timber bridge			0,.,25		implementation.			
		inventory that had no prior	MAPP							
		level 3 structural inspection,								
		engineers independent of								
		Council suggested the								
		implementation of load limits on 20 bridges across the TSC								
		road network over and above								
		what already is load limited.								
		These recommendations						- 1		
		related to current conditions								
		and no long term						- 1		
		maintenance; and								
		(2) Endorse the non-						- 1		
		application of load limits for up								
		to 24 months based on risk								
		management of the impaired				ľ				
		bridges via;								
		a. Load testing of structures where load limits of		ľ						
		less than 10T have been								
		recommended, to confirm								
		deflections and allowable load.								
		b. Application of								
		10km/hr speed signage and								
		speed bumps ahead of bridges								
		for which a load limit was			1					
		recommended in engineering								
		reports as determined safe by								
		Engineering Department.								
		c. Increased frequency								
		of level 2 bridge condition								
		inspections to once every 4 months for all structures for								
		which a load limit was								
		recommended in engineering								
		reports.								
		d. Per the engineering								
		reports, carry out required								
		maintenance over a 2 year								
		period and or equivalent cost								
		effective interim solutions that								

2.0								
		effectively will strengthen structures to carry envisaged T44 loading for the next 10-15 years until timber bridges can be replaced. e. Redo level 3 inspections after 2 years on any structure having a prior load limit recommendation that has not already been upgraded. Revenue NSW Invoices with						
1	93/19 GOV26/19	Revenue NSW Invoices with Significant Increase to the 2019/20 Emergency Services Levy Resolved that Council: (1) Pay the 2018/2019 Emergency Services Levy of \$290,499 plus 2.7% (\$7,844) with a total maximum payment of \$298,343 for the 2019/20 year, equivalent to the State Government imposed Rates Cap on local government, via quarterly installment unless the NSW Government Fund the shortfall as a result of advocacy efforts by the sector; (2) Supports Local Government NSW's calls for: a. The NSW Government to cover the initial additional \$19m increase to local governments for the first year, and b. The NSW Government to work with NSW local councils to redesign the funding mechanism for the scheme to ensure fairness into the future. (3) Requests that the Chief Executive liaise with Local Government NSW to provide information on: a. The impact on council budgets especially in	CE MF&T		01/06/ 19 26/6	Advocacy commenced at Country Mayor level with resolution to support Councils in further advocacy on the issue at the last meeting. Letter sent to NSW Government cc'd to Opposition Ministers and NSW Country Mayors etc as per Resolution. Note: Gwydir and Moree Plains Shire Councils resolved to adopt the same stance. Received receipt of letter from Revenue NSW.	C	

26/6/19 103/ MIN5	19 Minutes	EA&M		27/6	Signed by Mayor and updated on website.	С	
	Minister for Customer Services, NSW Minister for Emergency Services, Minister for Local Government and Shadow Minister for Local Government, and local State Member/s to: a. Call upon the NSW Government to fund the 12 months of this extra cost rather than requiring councils to find the funds at short notice when budgets have already been allocated; b. Explain how this sudden increase will impact council services / the local community; c. Highlight that councils were not warned of the increased cost until May 2019, despite the new laws being passed in November 2018; d. Explain that the poor planning and implementation of the increase is inconsistent with the State Government's commitment to work in partnership with the local government sector; e. Ask the State Government's commitment to work with local government to work with local governments to redesign the implementation of the scheme to ensure it is fairer for councils and communities into the future, and f. Copy the above letter to Local Government NSW. Confirmation of Previous Minutes	EA&M		27/6		C	
	light of the current drought, and b. Council advocacy actions undertaken. (4) Writes to the NSW Premier and NSW Interim Opposition Leader, NSW		1.
