## PRIVATE WORKS CHARGES

- No dry hire of any plant or equipment.
- Minimum charge of 1 hour applies to all plant, with increments of 1/2 hour.
- Rates are inclusive of operator wages for normal time.
- Activities undertaken outside normal working hours, including on RDOs, will attract a surcharge to cover the applicable overtime wage rate including any allowances.
- If additional staff are required, the relevant staff charges will apply.
- Works estimated to take longer than 8 hours or which require more than one plant item must have an estimate of cost prepared and approved by the appropriate Council officer prior to work commencing.
- All transport costs are to be met by the hirer, including floatage to and from site and use of utes to return home. This cost will be established prior to commencement of hire.
- Council makes no guarantee as to the availability for hire of any plant or items listed below.
- Council reserves the right not to make any item available for hire and to place restrictions and conditions on the hire of plant or other items.
- The cost of repair of any damage incurred to plant outside the control of the operator and/or normal wear and tear, will be charged to the hirer.
- Standby rates will be 70% of the comprehensive hire rate for major plant items.
- Please note that all charges for items of plant and equipment do not include the cost of materials. Materials will be charged separately at the rates indicated/quoted.
