TENTERFIELD POOL TO OPEN THIS LONG WEEKEND

The Tenterfield War Memorial Baths will be open for the 2020/2021 summer season on Saturday, 3 October 2020 at 10.00 am.

“Although the days are slightly cool at the moment, it is great to have the Pool open for the summer and I’m sure many members of our community are keen to add swimming to their exercise regime and looking forward to utilising the Pool gym as well”, said Mayor Peter Petty.

Patrons should note that COVID restrictions will apply. In addition to maintaining 1.5m physical distancing, showers will be unavailable so please come dressed ready to swim and shower and change at home. Please follow signs throughout the venue and instructions given by staff.

Do not attend the Pool if you feel unwell. Stay home and get tested.

COVID Plans will be placed on Council’s website for the information of Pool users for:

- The Pool;
- The Gym
- The Kiosk
