## **FREE PLACES FOR LOCAL YOUNG PEOPLE TO PARTICIPATE IN SUMMER BREAK CAMPS - STARTING NEXT WEEK**

The Office of Sport is pleased to be offering School Holiday Programs at its Sport & Recreation Centres throughout the January School Holidays and places are still available.

The camps provide support to young people in NSW communities hit hardest by the impacts of drought, bushfire and COVID-19 border closures. There are 14 camps across the Sport and Recreation Centres and activities can include archery, kayaking, bushwalks, cooking, craft and much more. Meals, accommodation and activities are included, plus free transport from various locations across NSW.

The Camp most suitable for the Tenterfield area will be held 11-13 January 2021 at Lake Keepit for 13-15 years. Free transport is available from the Tenterfield Visitor Information Centre.

Please book through the **Holiday Programs** **URL:**
