11 March 2021

REPLACEMENT OF FRONT GATES - TENTERFIELD WASTE TRANSFER STATION

Council will be undertaking works to replace the existing front gates at the Tenterfield Waste Transfer Station. This work will occur during the week commencing 22 March 2021.

As a result of the works, a diversion gravel track will be in place for access to the Transfer Station during this time.

Council apologises for any inconvenience to the public during this construction period and would like to thank residents for their continued support and patience.
