MESSAGE FROM THE MAYOR

To my fellow community members

The current COVID Delta environment is fluid and changing rapidly, with increased numbers and geographic locations.

As such, in addition to the COVID control measures, we have already in place (both government-mandated and organisational) as an organisation, we have decided to implement the following additional measures;

- The Visitor Information Centre will temporarily close. (at this stage in line with the Armidale lockdown)
- Delivery drivers will not be permitted to enter Council offices or the store.

I wish to thank you for your understanding. I also take this opportunity to support your efforts by encouraging everyone to get the jab, knowing that the COVID-19 vaccine will give you, your family and your co-workers an added layer of protection against COVID-19.

Would you please continue to socially distance, QR Code, wear face masks, wash hands, sanitise and get tested if feeling unwell?

Peter Petty
Mayor
