

- Remove weeds and mow long grass
- Limit outdoor activities at prime mosquito feeding times (dawn and dusk)
- Spray or fog your sheds regularly with a handheld or commercial spray unit with approved insecticide

**INTRODUCING COUNCIL'S NEW COMMUNITY DEVELOPMENT ADVISOR**

I am Natalia Londono, the new Community Development Advisor for Tenterfield Shire Council.

**Fun Facts:**

I was born in Colombia, and I arrived in Sydney 6 years ago. My first language is Spanish!

I came to Tenterfield with the wish to help and work by the side of our community to enhance their quality lifestyle through what is strong within our community rather than focus on weaknesses. I am willing to meet all the community and hear what you would like to work better and your ideas on how to make it happen.

Contact me on 02 6736 6000.

**AUSTRALIA DAY - CITIZEN OF THE YEAR**

2022's Citizen of the Year, Peter Harris, was presented his award on Saturday, 5 March 2022 by Mayor Bronwyn Petrie at the Sir Henry Parkes Memorial School of Arts prior to the showing of his film, Glimpses of a resilient community.

The Tenterfield community has seen Peter as a performer, a mentor and a man intent on sharing his love of, and expertise in music and its presentation, and his encouragement and support of local musicians to provide live music has been truly commendable.

Peter exemplifies the true spirit of volunteerism in our community and Tenterfield is very much the richer for his contributions over many years.

## NEW COUNCILLOR FOR C WARD ELECTED

Prior to the Ordinary Council Meeting held on Wednesday, 23rd March 2022, Mr Peter Murphy was sworn in as the new Councillor for C Ward.

Cr. Murphy was declared elected on 15th March 2022, and joins Cr. Tom Peters in representing C Ward in the Tenterfield Shire.

### SUMMER UNDER THE STARS

Follow the trail of glowing stars to experience Tenterfield in a new light, as the streets come alive with food, music and entertainment!

Late Night Shopping - Busking - Footpath Dining—Light Display - Live Local Entertainment.

★ Friday, 1st April 2022  
★ Friday, 8th April 2022  
★ Friday, 15th April 2022

This event is supported by the NSW Government "The Festival of Place - Summer Night Fund"

## SUPERMARKET TROLLEYS

A call out to shoppers to return trolleys to the racks in the Coles supermarket carpark.

Leaving them in the back of Crown Street seems to encourage their migration to the park opposite and the banks of Tenterfield Creek.

The State Government has proposed higher fines for abandoned trolleys.

But if we're all responsible and return them to the racks, there'll be no need for fines.

## NATIONAL MONUMENT PROJECT

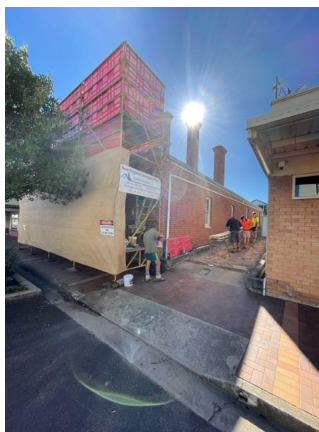

Work got underway on Tenterfield's National Monument Project – streetscape recovery project – stage 1 – to reconstruct the former verandah and façade of the historic buildings of Rouse Street.

The Tenterfield Star is a highly significant building for the town and the restoration is being undertaken by Tenterfield's National Monument Association – a community organisation formed to promote the nation-building role of the region, its town and its people.

The Tenterfield Star building project is the first in a series being funded by Tenterfield's National Monument Association in association with Tenterfield Shire Council

administering a grant from the Federal Government's Drought Communities Program.

The Tenterfield Star building was selected as the pilot project as work could get underway and be completed faster than other projects.

## JAPANESE ENCEPHALITIS VIRUS

NSW Government Department of Primary Industries advises Japanese encephalitis virus (JEV) has been detected in NSW.

JEV is a viral disease spread by infected mosquitos and can affect livestock and people. Follow these handy hints to manage mosquitos on your property to protect yourself and your animals.

Remember to apply mosquito repellents containing Diethyltoluamide (DEET), Picaridin or oil of lemon eucalyptus to prevent mosquito bites when undertaking mosquito control on your property. For more information on Japanese encephalitis in livestock, go to: [www.dpi.nsw.gov.au/biosecurity/animal/info-vets/japanese-encephalitis](http://www.dpi.nsw.gov.au/biosecurity/animal/info-vets/japanese-encephalitis)

- Apply mosquito repellants when undertaking mosquito control to prevent bites
- Eliminate mosquito breeding sites:

- ◆ Fix dripping or leaking taps and
- ◆ Clean water troughs
- ◆ Discard old tyres, machinery and containers
