

BLACK KNAPEED SURVEILLANCE INSPECTIONS
Council Officers are working with the NSW Department of Primary Industries and multiple other agencies to conduct property inspections within the Tenterfield area to determine whether Black Knapweed is present at other sites other than the Core Infestation discovered in April 2019. These inspections will take place between 30 November and 1 December 2022. Affected Landholders will be notified by letter if these inspections are to be carried out on your property.

How does Black Knapweed affect you?

Black Knapweed invades pastures, crops and natural areas. It outcompetes pasture plants and is not usually eaten by stock produces chemicals that suppress other plants is difficult to control.

What does it Look like?

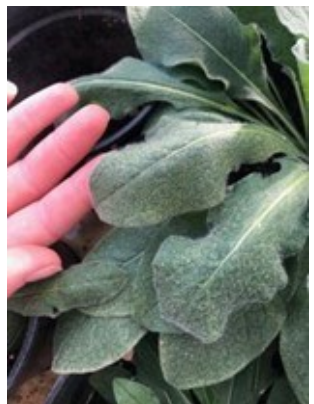

Black Knapweed is a slender, upright, branched perennial herb that grows to 1m tall. It looks like a thistle but doesn't have spines on the leaves or flowers.

REMINDER TO SEND SERVICE QUERIES AND REQUESTS TO COUNCIL'S OFFICIAL EMAIL ADDRESS

Tenterfield Shire Council wishes to remind residents that email requests should be sent to Council's official email address council@tenterfield.nsw.gov.au While emails sent directly to councillors and/or staff are mostly forwarded to Council's Records Management service, sometimes a request can be missed. All emails to council@tenterfield.nsw.gov.au are reviewed and directed to the appropriate sections for consideration and actioning.

PUBLIC NOTICE OF GRID INSPECTIONS

Community members are notified that Council is currently undertaking Grid and Gate inspections across the shire road network. Land owners are encouraged to refer to the Public Gates and Vehicle Bypasses policy, available on Council's website (<https://www.tenterfield.nsw.gov.au/content/uploads/2021/11/Public-Gates-and-Vehicle-Bypasses.pdf>), to ensure that their grids are compliant.

WATER INFRASTRUCTURE CREDITS

On 26 October 2022 Council resolved to apply a credit to assessments which have been charged a water infrastructure charge of \$77.00 on their assessments over the financial years 2019/2020 to 2022/2023. These credits will show on your rates notice issued for Financial Year 2023/2024 and be reflected in the Annual Rate Notice as a credit line.

- This will result in:
- Tenterfield water connections receiving a total credit of approximately \$143,000 applicable for 2019/2020 only.
 - Urbenville water connections receiving a total credit of approximately \$25,000 applicable for 2019/2020 & 2020/2021 only.
 - Jennings water connections receiving a total credit of approximately \$31,000 applicable for 2019/2020, 2020/2021, 2021/2022 & 2022/2023.

Please Note- This charge is a property-based charge applicable to the property and credits will be placed on current assessments. The credit is not subject to indexation. If a property has been sold during the mentioned financial years above, the credit will be applied to current assessments.

If you have any questions regarding this, please contact Council's Revenue Team on (02) 6736 6000, option 2.

IPART is currently conducting a review of the local government rate peg methodology and we are seeking feedback from all stakeholders, including councils and ratepayers.

As part of our review process, IPART has engaged a company (ORIMA) to survey residential ratepayers across NSW about key issues to inform the review of the methodology. The survey will be conducted both online and by telephone to ensure that a representative sample is reached. We anticipate that field work will occur starting on Wednesday 16 November over a two week period.

We are making you aware of this in case you receive any calls. Please direct any queries to Felicity Hall at felicity_hall@ipart.nsw.gov.au or by phone (02) 9290 8432.
