

Councillors and Council staff were delighted to see the latest Regional Lifestyle magazine hit the shelves, as the Summer edition has a magnificent feature on our Shire. As Council paid for part of this publication, a number of Councillors and the Chief Executive, Daryl Buckingham, attended the launch of the magazine.

**COUNCIL'S NOVEMBER ORDINARY MEETING**

Councillors and accompanying Civic staff were most appreciative of Urbenville Progress Association's hosting of the Council Meeting held 23 November at Urbenville Memorial Hall. Following the meeting and community forum, Councillors and Civic staff visited the Urbenville Water Treatment Plant.

Council's Senior Services Officer (Northern) Wayne Orton explained the processes and equipment used at the plant to purify the raw water collected within the catchment area. The installation of new pumps and meters has minimised time spent assessing changes in raw water quality and enabled financial savings due to a reduced need in frequency of backwashing. These additions have profoundly increased the plant's ability to produce excellent finished water for town consumption (adhering to or better than Australian Drinking Water Guidelines) - no need for bottled water in this beautiful part of the country!
