Have Your Say for Tenterfield's Disability Inclusion Action Plan 2023 - 2027

Tenterfield Shire Council is in the process of reviewing the Disability Inclusion Action Plan (DIAP) to align with the new State Government regulatory requirements.

This plan outlines the practical steps that Council can put in place in combination with available resourcing, to break down barriers, promote access to services, information and employment and promote the rights of people with disability. Council will be reviewing the plan with community and key stakeholders to inform and update the Plan and ensure it reflects the needs of people with a disability and their carers in our community.

Council is calling on the community to assist with developing the new DIAP and provide feedback and ideas through a short survey. The Consultation Engagement Plan will include an Online Survey, a printed survey available at Council Touchpoints, local service providers Tenterfield Social Development Committee Inc (TSDC) office and Tenterfield Community Hub; and a face-to-face Public Charette with Council's Community Development Advisor, Natalia Londono. The Public Charette will be held in Tenterfield Public Library on **Wednesday 15 February 2023** between **10:00am and 12:00 noon**. No appointments are necessary, and all community members are welcome to call in and provide feedback about the DIAP to Ms Londono.

Community Consultation for the DIAP will conclude by close of business on Friday 24 February 2023. Council and staff strongly support and encourage community to get involved to ensure future planning aligns with community needs now and into the future.
