## WATER & SEWERAGE ACCOUNTS NOW OVERDUE

Water & Sewerage Notices were due for payment on 1 February 2023. Multiple reminder notices have been issued by post and hand delivered notices will be scheduled for delivery on 8 March 2023 to applicable properties.

If full payment of water & sewerage accounts have not been made or a satisfactory arrangement entered into, Council will install a water flow limiter. Limiter installations are scheduled for Wednesday 22 March 2023.

Additional fees will be incurred if a water limiter is installed.

## RATES & CHARGES THIRD INSTALMENT DUE FOR PAYMENT

Council wishes to advise Residents and Business Owners that the Third Rates Instalment Notices are now due for payment on or before 28 February 2023. Please note that there was a printing error with the due date "year" that was inadvertently printed as 2022 instead of 2023 on the 3rd instalment notices, Council apologises for any confusion this may have caused.

Ratepayers are reminded that interest accrues on all overdue rates, service charges and water & sewerage consumption charges on a daily basis at a rate of 6% per annum.

Please contact Council's Rates Department on 02 6736 6000, option 2 or by email [rates@tenterfield.nsw.gov.au](mailto:rates@tenterfield.nsw.gov.au) if you are experiencing difficulties paying your Rates or Water Account to avoid recovery action and costs.
