

CIVIC WELCOME FOR THE BAVARIAN BRASS BAND

Councillors and Council staff were pleased to officially welcome the visiting Bavarian Brass Band on 16 March 2023 with a Civic reception in Bruxner Park. The audience enjoyed several pieces by the band.

Hosted by Tenterfield Rotary Club, the visit by the Band honours the sister city partnership between Tenterfield and three towns in the Unter Allgau region of Germany - Ottobeuren, Hawangen and Bohen. Members of the band spent a week in Tenterfield, playing at various venues and events, culminating in the Bavarian Cultural and Musical Festival Beerfest.

CELEBRATING AUTUMN

Tenterfield Shire is beautiful in all seasons of the year, but there is something particularly special about Autumn. Situated in the New England, we have some of the best Autumn colour in all of Australia and welcome many visitors during this Season.

Some of the special events held in Autumn include the recent visit by the Bavarian Brass Band (pictured above) and the upcoming **"Oracles of the Bush"** and **"Autumn Festival"** events.

The truly unique Australian cultural event **"Oracles of the Bush"** starts 30 March and runs for four days (finishing 2 April), encompassing live performance of Australian Bush poetry, music and art.

As part of the "Oracles of the Bush" the Prince Albert Memorial Hospital Isolation Ward will be open to visitors. A site of cultural significance that has been preserved and restored to educate future generations, this is a great opportunity to explore and see first-hand the effects of the Spanish Flu Pandemic on the Tenterfield community and surrounding region.
