Tenders and Expressions of Interest

Much has been happening within your Shire Council in the area of Tenders and calls for Expressions of Interest during April.

Applications closed on 14 April for **Expressions of Interest for vendors to operate a Container Cafe** at the new Tenterfield Youth Precinct and Mountain Bike Trailhead.

Tenterfield Shire Council has been awarded funding under the NSW Government Streets as Shared Spaces (Round 2) program, which will provide an exciting business opportunity to operate the contemporary container café secured by Council. This infrastructure has been co-designed between Tenterfield Shire Council and the Youth Precinct designer, Convic, to fit in with the transformation of the existing skate park into the Tenterfield Youth Precinct and Mountain Bike Trailhead.

The Streets as Shared Spaces project focuses on linking and diversifying the users for Jubilee Park and the Youth Precinct by creating a crossing point for pedestrians and cyclists, installing a pop-up container café, solar lighting to promote use of the area in the evening and at night and introducing public Wi-Fi.

It is an exciting time for Tenterfield, with major public infrastructure about to commence on the site with over \$2 million committed to build a state-of-the-art location that will incorporate new skate park features, a pump track, mountain bike skills track, and much more. It is anticipated that this construction will be completed and opened to the public in the next month.

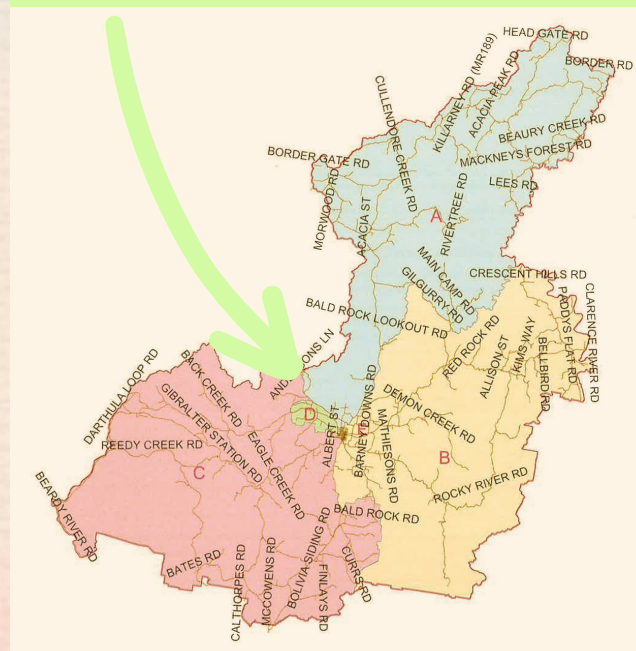

Council has also recently advertised in Tenterfield Star and other publications, calling for:

- **Expressions of Interest for the Lease of Tenterfield Airstrip**, with a closing date of Friday 5 May 2023
- **Expressions of Interest for the Operation of Visitor Information Services**, with a closing date of Friday 5 May 2023

More information and EOI registration forms can be found on Council's website www.tenterfield.nsw.gov.au

UPDATE COUNCILLOR VACANCY, WARD D

At the Ordinary Council Meeting held 22 March 2023 Council resolved to make application to the Minister for Local Government under section 294 of the NSW Local Government Act 1993 that the Tenterfield Shire Ward D civic office casual vacancy remain unfilled until the next ordinary Council elections are held, in September 2024.

COMMUNITY TRANSPORT

Following the closure of operations by Tenterfield Taxi Services on 1 April 2023, residents now have limited transported services available. Current options that are available in Tenterfield are:

liveBetter
community services

Live Better Community Transport Services

Live Better will be operating a daily shuttle service around town from 9am-4pm Monday to Friday. Please call to book a trip a day in advance to ensure services can be provided to as many people as possible. You will likely be sharing a trip with someone else, so patience is requested. There will be a flat charge of \$5 per trip.

These shuttle car services and buses will be driven by volunteer drivers. As a community we want to thank them immensely for stepping up to help make this available. They will be doing this during the month of April. Live Better will review at the end of the month for continued services. For your information, under law, they are not allowed to pick up off the street (be hailed) or to use taxi ranks; that is why all trips must be booked a day in advance. They don't have a call centre and this service is for community transport clients only.

So, who is eligible for community transport???

This may be available to people who have limited transport options and who meet certain eligibility criteria. You may be eligible if you:

- Are elderly and have limited mobility
- Have a disability or health issues which limit your mobility
- Have language challenges that limit your access to transport
- Live in an area with little or no public transport and don't have access to private transport
- Face other significant barriers to accessing transport

They will also be increasing shopping bus services. Thursday's shopping bus can pick up residents from home, drops off at Coles 9am and returns at 12pm for the home trip for the cost of \$5. If services are requested for additional days or afternoon trips, they will be considered.

Please call the Tenterfield Live Better office to make a booking or direct questions to Vicki or Lyn on 02 6736 2902.
