## TENTERFIELD DAM SAFETY TRAINING SENARIO

Tenterfield Shire Council together with the SES and Dam Safety NSW will be conducting an exercise today to ensure the preparedness of Staff and Services in the event of an emergency.

The Dam Safety Training Scenario will test Council's flood warning systems, processes and staff, this will mean temporary road closures, sirens and other testing associated with the mock scenario.

Council appreciates your assistance and patience in this vital training to ensure that real events can be handled with efficiency and decisiveness to potentially save lives.
