

### 2025 MAYORAL MESSAGE

As 2025 draws to a close I would like to share how grateful I am for the efforts of our Councillors and Council staff team, and our whole of Shire Community for their efforts throughout the year. Conditions have greatly improved and there is a positive feeling in the community. Naturally there are challenges as well however we continue to diligently work on achieving the best outcomes we can. Below is an update of happenings since the last newsletter.

- The Tenterfield Chamber of Tourism Industry and Business (TCTIB), now have an agreement to provide tourism services from the foyer of the Sir Henry Parkes Memorial School of Arts foyer, with the official opening held on the 2nd of October, and has been well received by visitors and locals. The volunteers are doing a great job, and have had training and site visits. Please contact TCTIB if you are interested in volunteering.
- Minister Janelle Saffin and I have continued strong advocacy for NSW landowners impacted by the devastating October 2023 bushfires including meeting with the NSW Premier who in turn requested Federal government co-funding of a support package. We are awaiting a determination.
- A Border Region of Councils (BROC) meeting was held in Moree and the next will be hosted in Tenterfield in February. Sadly, Qld Cross Border Commissioner, Ian Leavers recently passed away and his energy, passion and input will be greatly missed.
- A Cross Border Law and Order Forum was held in November in conjunction with the Country Mayors Association meeting at Parliament House. In attendance were the Police Minister, border Members of Parliament and border Mayors and General Managers to discuss and seek solutions to cross border policing issues.
- A highlight of the Country Mayors Association meeting was the Governor hosted reception at Government House Sydney.
- Heritage interpretive signs are being designed for St. Stephen's Presbyterian Church, the High Street bakery buildings, and a Cobb & Co waystation on Mt Lindesay Road.
- Council has continued the reduced swimming pool entry fees, and the opening hours have increased under the new management.
- An agreement is being drawn up with School of Arts Tenterfield Incorporated (SOATI), to manage the School of Arts Museum and Cinema/Theatre areas commencing in the new year, and we look forward to them achieving their goals.
- Ongoing advocacy with Essential Energy regarding our beloved Pin Oak avenues is looking positive after the initial threat of not being able to replace them as required.
- Workshops under the Regional Drought Resilience Planning Program funded to Tenterfield and Glen Innes Severn Councils have been well attended and we extend our appreciation to Glen Innes Natural Resources Advisory Committee (GLENRAC) for arranging these.
- Council was pleased to be able to provide additional financial support to our 10 Progress associations lifting from \$500.00 to \$2000.00 annually to each.
- Deputy Mayor Greg Sauer delivered the solemn address at Remembrance Day in Tenterfield commemorating our fallen in previous wars.
- The Regional Lifestyle Magazine Summer Tenterfield Shire feature edition sponsored by Tenterfield Shire Council has just been launched. It is a beautiful edition and a great Christmas present with 120 pages of Tenterfield stories, attractions, buildings, people, and gardens.
- School presentations are imminent and we congratulate students and teachers on their endeavours throughout the year.

I look forward to continuing working with you in 2026 and wish you all a sincere Merry Christmas.

*Mayor Bronwyn Petrie*

## RATES & CHARGES SECOND INSTALMENT NOTICE 2025-2026

Council wishes to advise Residents and Business Owners that payment of the Second Rates Instalment Notice was due on 30 November 2025.

It is recommended to review your weekly/fortnightly/monthly repayments annually so the amount due is paid by the due date.

### WATER & SEWERAGE NOTICES

Water & Sewerage Notices will be issued by the end of December 2025 and payment of accounts are due on or before 1 February 2026. Water & Sewerage Notices are calculated on a 'User Pays' system therefore any consumption that passes through the meter will be charged as outlined in Council's Operational Plan.

Ratepayers are reminded that interest accrues on all overdue rates and charges and water and sewerage accounts on a daily basis at a rate of 10.5% per annum.

If you are experiencing difficulties in paying your Rates or Water by the due date, and wish to avoid recovery action and additional expense, please contact Council's Rates Section on (02) 6736 6000 (Option 2) to discuss your circumstances.

### GREEN WASTE ON HOLD

Council would like to request the community to omit placing grass clippings and pruning's into the General Waste (red or green lid) collection.

Council's main landfill located at Boonoo Boonoo is over capacity and due to consistent wet weather, the construction of our new waste cell has unfortunately been delayed substantially.

Until further notice, this temporary arrangement is needed to reduce the waste volume and to comply with the Environmental Protection Agency's/guidelines.

Council sincerely appreciates your assistance in adhering to this request.

### DEVELOPMENT APPLICATION REGISTER

Tenterfield Shire Councils Development Application Register lists all Development Applications lodged with Council for assessment on Councils Website.

# What's on in the Library:

Tenterfield Public Library now has a Chatty Booth available for community members to use. The Chatty Booth is a single user, soundproof space that is conducive for making phone calls and video conferencing without distraction and in private.

The Chatty Booth can be booked at the library front counter or online through the library website [tenterfield.libero.com.au/me/#/](https://tenterfield.libero.com.au/me/#/) under 'Resources'.

Also available for bookings are comfortable areas for work or study.

Our library offers a range of resources for members to borrow. In addition to well stocked shelves of books, we have a range of toys, Lego sets, jigsaw puzzles, CD players, CDs and DVDs. All members have access to online resources to suit all ages and interests including eBooks, audiobooks, comics, magazines and reference materials such as World Book, GALE and National Geographic.

The library offers free computer usage and wi-fi. Look on our website or Facebook page (search Tenterfieldshirelibraries) for events and activities such as Senior Tech Help, Storytime, Book Club and children's activities.

Membership to the library is free, easy and environmentally sustainable, resulting in more money in your pocket and less clutter in your home.

Follow us to keep up to date with events.

## Weed to focus on: St. John's wort (*Hypericum perforatum*)

### How does this weed affect you?

- competes with pastures
- poisons livestock
- can downgrade wool with 'vegetable fault'
- can reduce property value

### Livestock Poisoning:

St John's wort contains a chemical called hypericin. Livestock that eat it become very sensitive to sunlight. Stock will only eat St John's wort when other feed is scarce.

Minor exposure to St John's wort affects animal health as:

- weight loss
- fewer pregnancies
- stillbirths
- weak young
- cows producing less milk
- fewer lambs and calves surviving weaning.

For more information please contact Council's Weed Officer, Mr Chris Battersby on 0427 810 418.

Or access through the NSW Weedwise link:

[www.weeds.dpi.nsw.gov.au](http://www.weeds.dpi.nsw.gov.au)

### What does it look like?

- yellow from November to January
- dark green, brown and yellow from February to April
- brownish-red in winter.

### Leaves are:

- paler green on the underside
- opposite each other on the stem
- spotted with oil glands - leaves can look like they have holes in them when held against a strong light.
- without a stalk.

### Flowers are:

- bright yellow
- about 20 mm in diameter
- with five petals
- with three bundles of long thread-like stamens growing from the centre
- present from late October to January.

## Big Care in a Small Space.
